

FIRE PREVENTION COMMISSION

CTIF members, welcome to Finland 4-5th of June.

The meeting will take place in our Course- and Campcenter in Padasjoki.
(Kelkutteentie 147, 17510 Padasjoki)

Building is equipped with high pressure water mist extinguishing system – HiFog.

Here is the location on map <https://goo.gl/maps/BDNjT>

The meeting starts Wednesday morning 4th of June so we are arranging transportation from Helsinki-Vantaa airport to Padasjoki 3rd of June in the afternoon - at about 5 pm. The exact time depends on your latest arrival but some of you may have to spend some time at the airport as we try to gather everyone in the same bus. Driving time to Padasjoki is about 1½-hours so hopefully everyone can schedule flights so that you will be at the airport 3th of June at about 4-5 pm.

Former chairman Matti has promised to be with us in the evening and make his famous salmon by campfire.

Costs for the stay will be charged afterwards.

Please send the attached meeting attendance questionnaire to me as soon as possible.
